Plein Air Materials List

Your choice of art material. If you are new to painting and drawing, I suggest just bringing pencil, eraser, and a sketch pad. See Art Material list below:

- Water for drinking
- Sunscreen
- Sun hat
- Sun glasses
- The Museum has easels, chairs, little fold up tables, and water for you to use.

I have also enclosed a full material list below of different mediums in case you don't know what to get.

Art Materials List

These are recommended supplies for a variety of mediums. Since this class is an open studio and is meant to be a place for the artist to experiment with their favorite or not so favorite materials, please feel free to bring what you would like to work in. In other words – you do not need to rush out and purchase all the items on this list. We suggest you choose one medium to focus on first.
